flow

Brand

Flow is the slow life brand. It is an tribute to conscious living, creativity, and days without rushing. Flow helps people **find their way** in this hectic, rapidly changing world with a magazine and online content that focuses on mental health, **slow life**, connection, and slowing down.

Flow is **practical and down-to-earth**, never vague or spiritual. Psychologists, professors, writers, and other experts interpret the spirit of the times and offer tips on how to live life differently. With more room for authenticity, peace, and mental health.

Flow has three recurring themes: **Grow** (personal development), **Glow** (about life's moments of happiness), and **Slow** (slower, more conscious living). Flow—founded in Haarlem in 2008—is a global success and is published in four languages (English, French, German, and Dutch) in more than 20 countries.

Every day, they search for new ideas to get the best out of themselves and the world.

Paperwrap

New advertising concept in 2026

The paper wrap is more than just packaging: it is a **communication** tool that presents your brand story right from the moment it arrives at the doorstep. Print it with a message or teaser for maximum visibility and personalization.

From 2026, we will be packaging our magazines in paper instead of plastic. The paper wrap is **environmentally friendly**, made from renewable raw materials, fully recyclable, and emits less CO₂.
