Paperwrap

New advertising concept in 2026

The paper wrap is more than just packaging: it is a **communication** tool that presents your brand story right from the moment it arrives at the doorstep. Print it with a message or teaser for maximum visibility and personalization.

From 2026, we will be packaging our magazines in paper instead of plastic. The paper wrap is **environmentally friendly**, made from renewable raw materials, fully recyclable, and emits less CO₂.

Advantages

- Your message is the first thing the reader will see
- It reaches the audience twice
- It makes your brand literally tangible
- It reinforces your sustainable image

Roularta Brand Studio will help you implement this within a cross-media strategy for even greater brand impact.

Brand Studio

Roularta Brand Studio is the **creative agency** within Roularta and specializes in developing, creating, and publishing high-quality branded content.

Our strength is **storytelling**: we create powerful brand stories that resonate, linger, and inspire action. As a strategic partner, we offer tailor-made, cross-media solutions that touch your target audience and get them moving.

Our team translates **brand stories** into impactful content that seamlessly connects with various channels, from print and digital to video, social media, and podcasts.

We tell stories with impact on the right platforms, so that your message reaches the right people, at the right time, and through the right **media**.
